Debating the Concept of a Four-Day Week in Malta

National Half-Day Conference

Join us for this topical conference and voice your opinions on the practical implications of a 4-day working week on your business.

The event will present an academic analysis of productivity dynamics, the official positions of Malta Employers, Government and Opposition and a high-level panel discussion bringing together entrepreneurs, academics and trade unions. This conference is an essential forum for all stakeholders shaping the future of work in Malta.
